## MESSAGE FROM THE DIRECTOR

Like all over the nation, our community has come together by staying apart and wearing our masks. We hope all of you continue to stay well. Please know how much we appreciate your past, present, and future gifts ensuring our hospital is here for you, your family, and your friends for the next century and beyond.

## UPLIFTING NEWS

+ **On the Cover:** Project: America Strong, through the Community Health Center, donated 5,000 masks to the hospital for patients, staff, and visitors. A portion of the masks will also be used at hospital/community events coming up this fall. Pictured: Catherine & Randi in Admissions

+ The **Gary and Mary Brewer Interfaith Chapel** in the Surgery Center is finally finished! Furniture was delivered and assembled earlier this week. We are so grateful to the Brewers for providing such a peaceful place for our patients and visitors. See page 2 for a comparison of the artist rendering and the actual space! Can you spot the difference?

## WELCOME, DR. HENDRICKS

Please help us welcome Dr. Thomas Hendricks to our William Newton Orthopaedics team. Dr. Hendricks specializes in joints (total joint reconstruction and revision) and sees patients at the Winfield Healthcare Center every other Thursday. Dr. Hendricks joins Dr. Kenneth Jansson (knees), Dr. Phillip Hagan (shoulders), and Dr. Harry Morris (hands) at William Newton Orthopaedics, which began accepting patients in fall 2019.

William Newton Orthopaedics services include orthopedic surgery, joint replacement, sports medicine, fracture care, joint reconstruction and revision, bone health, pediatric orthopedics, upper extremity, knee surgery, shoulder surgery, and hand surgery. Schedule your appointment today! Call 620.222.6249.

## AUGUST DONOR SPOTLIGHT - ETHEL GATES

This month's spotlight goes to a member of the William Newton Hospital Auxiliary. Ethel Gates has been with the Auxiliary since 2018. She is a retired RN and also volunteers some of her time at the Medical Loan Closet. Most of the time you can find Ethel in the H.L. Snyder Surgery Center's Auxiliary Waiting Room but she also works at the front desk. She willingly volunteers her time working 2-4 days a week at the hospital. Ethel received two service pins from the Auxiliary this year for reaching 500 and 1000 volunteer hours in a single year, which is pretty amazing! No matter where Ethel is she is sure to greet you with a contagious smile. She believes in the WNH mission and loves her hospital and the Auxiliary. WNH is happy to have her on our team!
